

Awareness Program on "Youth for Ending Violence Against Women"

24.09.2019

Srusti Academy of Management organised an Awareness Programme on "Youth for ending violence against women" on 24th September 2019 in association with Bhubaneswar Smart City limited, as a part of its Youth Connect Programme. The objective behind organising such event is to spread awareness among the youth to join hands for a gender equality society free from any violence. The Chief Guest of the event was Ms. Snigdha Panigrahy, Former Member, Odisha State Commission for Women and Head, Internal Complaint Committee of Srusti Academy of Management. Ms. Banita Moharana, Inspector-in-Charge, Women Police Station, Bhubaneswar and Ms. Sneha Mishra, Secretary, Aaina, NGO, Bhubaneswar were the Guest of Honour in this event. The speakers made the students aware about the various types of violence against women and bringing the youth together to curb this menace. Ms. Sneha Mishra shared the National Family Health Survey (NFHS) data on various types of violence against women and suggestive measures for women empowerment. Ms. Banita Moharana opined that women should come forward and united raise their voice against injustice and also made the students aware on the real worth of a woman. Ms Snigdha Panigrahy, Hon'ble Chief Guest of the event cited three real life case studies to help students understand the depth and importance of violence against women. Students of MBA and IMBA also presented their views on Gender Equality, Types of Violence against Women, Case studies on women survivors of violence and their long struggle to get their voices heard and get justice. The programme ended with vote of thanks by Dr. Kabita K. Dash with a pledge that the youth will be the catalysts of social transformation and join hands together to end this violence against women.
